

# Real Estate Issues in Yorkshire

What leaders in the Real Estate Industry said about issues in the region

Brexit is affecting the property market in the region in the following ways

It is having a major impact  
**8%**

It is affecting everyone a bit  
**52%**

It is having no effect  
**18%**

It is not affecting us yet, but in two years it will  
**22%**

**£ 55%** think we are NOT doing enough to attract investment and talent to the Leeds City Region

**79%** say the Northern Powerhouse has a future in the region

**64%** say leasehold home ownership is still alive and well

**40%** think it's very likely that people will invest in the region rather than London.

**74%** think Leeds should have an elected mayor

Real Estate leaders believe that the biggest impact on the Real Estate sector in the North will be caused by:

**1st**

East- West rail link  
(HS3/Crossrail)

**2nd**

HS2

**3rd**

A better trained and larger workforce

**4th**

A better airport

**5th**

Provision of top class Professional Services

**6th**

Digital Connectivity

**7th**

Availability of prime office accommodation
