

How to Find Us

By Car

The postcode for our building is Leeds, LS1 4AP (to access our car parking, please use satnav postcode LS1 4AW; this will take you to the area opposite our car park entrance - off Whitehall Road).

Wellington Place can be directly and immediately accessed from Leeds' Inner Ring Road and the national road network. The M1, which begins minutes from Wellington Place, connects Leeds with London, Milton Keynes, Leicester, Nottingham, Sheffield and Newcastle. The nearby M62 also connects Leeds to Liverpool, Manchester, Hull and the M6.

From the South

Exit the M1 at J43 and join the M621 towards Leeds' city centre. Exit the M621 at J3 and merge onto the A653. Turn left at Water Lane and continue onto Globe Road. Turn right at Whitehall Road, and follow until you reach the Wellington Place parking area. You can access our visitor parking from there.

From the North

Exit the A1 at J45 and continue towards Leeds on the A64. At Seacroft take the 3rd exit to continue on the A64 into Leeds. Continue onto the A58(M) and exit at Park Ln/A58. Turn right onto Westgate and take a left onto Wellington Street. After the traffic lights, turn right onto Northern Street, then onto Whitehall Road to access parking.

Visitor Parking

Due to new work being undertaken at Wellington Place our car parking arrangements for visitors have changed.

Visitors can park in the 'Private Section' of the MEPC car park. As this is operated by the Estate Managers of Wellington Place, spaces should be pre-booked (through us). For satnav purposes, the postcode for the MEPC car park is LS1 4AW.

To access the car park, travel approximately 300 yards away from central Leeds onto Whitehall Road, then take your second right into the MEPC car park which is clearly signposted. Continue down the ramp, keep left and take the fourth turning on your right, and then your first turning on your left, this will take you to a car park barrier where an intercom is located to your right. Please press the button for Shulmans No.10. This will be answered by a member of our Building Security Team. Please advise them you are visiting Shulmans and they will give you access and direct you to a Visitor Space. The Visitor spaces are marked SV1 to SV5 on your right hand side.

Once you have parked your car please exit the car park through the pedestrian exit which is located to the top right of the car park. Follow the footpath to your right, passing in front of building No. 2 and No.1. Building No.10 is straight ahead of you, turn right and bear left to around the front of building No.10. There is signage to guide you to our office which is in 10 Wellington Place.

Alternative public parking can be found in the public car park available in front of the private parking area or the NCP multi-storey car park, accessible off Wellington Street, then Wellington Place (satnav LS1 4AJ). This car park requires payment.

By Train

It takes just two hours to reach Leeds from London on the fastest train. Leeds can be reached from Newcastle in 90 minutes. The journey time from Manchester is approximately 60 minutes.

- National train services: National Rail - www.nationalrail.co.uk
- Local train services: Metro - www.wymetro.com/

Wellington Place is 7 minutes' walk from Leeds City railway station. The walking route can be viewed [here](#). At the Leeds train station, pass the ticket barriers. Walk on, then turn left, passing the tickets sales office. Take the exit marked 'City Square' ahead. Once out, turn left onto Wellington Street. Wellington Place is on the left, just after the Northern Street/Queen Street traffic lights.

By Air

Leeds-Bradford Airport

Leeds-Bradford Airport receives direct flights from London and many major destinations. The airport is approximately a 30-40 minute drive away.
